

Are you our new sales trainee ?

NoriDane Foods A/S is trading with food products all over the world. We are the biggest importer and exporter of meat in Norway

We are searching for a sales trainee for our office in Oslo for buying- and selling activities in South America with Spanish as native language starting latest February 2018

The Job

- You will be in an international environment, since we have offices all over the world and trades across the whole world. Depending on the development, there will be traveling experiences and posting abroad.
- You will be a part of a company in growth, which will give you plenty of opportunities to accelerate both personally and professionally
- You will have contact with our international customers, partners and suppliers.
- You will become an indispensable part of our team, and on the long term you will be assigned a big responsibility for South America.

Your profile

- Well educated from high school

- Ambitious – in everything you do!
- Fast and smart – and not necessarily “a theoretical type”
- Have courage – and are unbreakable
- Are a social person and you don’t mind speaking with new people every day.
- Can keep your head clear when things move fast.
- Master English on a high level – both verbally and written

We offer

- A 2-year inhouse trainee education
- Thorough training
- Lots of development opportunities
- Freedom with responsibility
- Own responsibilities
- Bonus
- Travelling experience aboard with the company

What else to tell

- We are a company with a young team and a young mindset, and we are having fun together.
- NoriDane’s main shareholder is Nortura SA
- We only hire the best

Are you interested?

- Send your application and CV with the relevant education papers to ar@noridane.com marked ‘sales trainee’ no later than 30/11/2017 Afterwards you will receive an invitation mail which will direct you to some more detailed questions and gives you the unique opportunity to present yourself in a video. It will take you approx. 5 min and is not mandatory in order to continue the recruitment process
